

TRANSMITTAL SLIP		DATE 20 Dec 56	
TO: Deputy Director/Intelligence			
ROOM NO. 354	BUILDING Admin		
REMARKS <p>I had not attached sufficient importance to this conversation to send you a copy of this memo at the time, however in view of the interest in the memorandum of [REDACTED] conversation with [REDACTED] I thought you might be interested in seeing the account of my own. [REDACTED] report is more detailed than mine but the two conversations were evidently essentially along the same lines. Both [REDACTED] and I agree that [REDACTED] is a most unusual man, virtually unique among [REDACTED]</p> <p style="text-align: right;">DBD <i>DBD</i></p>
